It flies
The U-Fly gets in your ear
The U-Fly gets to your brain
The U-Fly sticks on your nerves
Grips on your blood pressure
Drives you to more pleasureU-Fly magic touch on your head
Down to your tips
Now start to move and dance
Now start to groove in tranceStand up, you electronic insect
Stand up, you electronic forceNo sign of mortal bite
Just keep on flying, all right!Now, you're an electronic insect
Now use your electronic forceBlood pressure
More pleasure
It flies
