It flies

The U-Fly gets in your ear
The U-Fly gets to your brain
The U-Fly sticks on your nerves
Grips on your blood pressure
Drives you to more pleasureU-Fly magic touch on your head
Down to your tips
Now start to move and dance

Stand up, you electronic insect stand up, you electronic forceNo sign of mortal bite

Just keep on flying, all right!Now, you're an electronic insect

Now use your electronic forceBlood pressure

More pleasure
