

# Dandy

## Tellaman

I'm a dandy  
I'm a dandy  
Dripping swag, dripping swag I'm ahead  
That's why they talk behind my back  
When the DJ drop the shit, you know that he gon' bring it back  
When I pull up with the team, all these suckers fall back  
Man we always keep it clean  
Too clean with the swag  
Man I got it all, yeah they know it  
Styling nothing new dog I been it  
Buy it straight cash, fuck a deposit  
Fuck a price tag  
If I want it, I want it  
I'm a dandy  
I'm a dandy  
Dripping swag, dripping swag Look at us  
Now look at you  
Who are we?  
The waiting crew  
If she roll with me  
Then she got the juice  
Chicks that's acting cool they deserving [?] like Tom Cruise  
Man I fell in love with the money  
Man I fell in love with the honeys  
Man I fell in love with the fashion  
I guess that's why they say that I'm a dandy  
I'm a dandy I'm a dandy  
Dripping swag, dripping swag Dripping swag, dripping swag
