Falling (prod. by Robin Hannibal)

Yuna

It's been a long day
I can't seem to get up again
I want to fall asleep
So I don't have to remember!Don't have to call me, I turned my phone off
Let the pillows to protect my heart
You don't have to check up on me, I'll be alright
I turned off the lights and sweep into the nightI keep falling
I keep falling, uh
I keep falling apart!
I keep falling (falling)
I keep falling (falling)
I keep falling (falling)
I keep falling for you!I wanna forget
All this burden in my past
I want to fall asleep
So I don't have to remember!Don't have to call me, I turned my phone off
Let the pillows to protect my heart
You don't have to check up on me, I'll be alright
I turned off the lights and sweep into the nightI keep falling
I keep falling, uh
I keep falling apart!
I keep falling (falling)
I keep falling (falling)
I keep falling (falling)
I keep falling for you!We will start to fall on
Forget, I forget it all!
The rain will start to fall on
I forget, I'll forget it all!
We will start to fall on
Forget, I forget it all!
The rain will start to fall on
I forget, I'll forget it all!Don't have to call me, I turned my phone off
Let the pillows to protect my heart
You don't have to check up on me, I'll be alright
I turned off the lights and sweep into the nightI keep falling
I keep falling, uh
I keep falling apart!
I keep falling (falling)
I keep falling (falling)

I keep falling (falling)
I keep falling for you!
