

# Speckled Carpet

[Andrea Hamilton](#)

Speckled carpet meets with white tile floor  
Stepping into my before  
Before I grew up and grew wise  
Now all my memories flood my eyes  
This is where I met you; wonder if you recognize me now

Verse:

I want to tell you all the pla - ces Iâ€™ve been  
How Iâ€™m different than back then  
Tell you I didnâ€™t understand  
That actions speak louder than demands  
But if youâ€™re over all of it now I can pretend

Chorus:

Ahhhh ahhh  
Do you know
