Disturbed

You'll be starting a war now if you cross that line
Turn around or face my reprisal for I have determined that this is mine
Oooooohhhhh (x2)
You will want to remain on your side
You'll be starting a war now if you cross that line
Turn around and face my reprisal for I have determined that this is mine
We will not be broken this time
We will force the whole world to testify
Stand your ground or face our reprisal for we have determined that this is...
