

# Confused Art

## Babylon Zoo

Red light, green light  
Red light, green light  
Red light, green light  
Red light, green lightRed light, green light  
Red light, green light  
Red light, green light  
Red light, green lightPassion is dead  
Computer sex  
We capture fire  
Karma has diedViolence kills, the innocent  
Of modern youth a common truth  
Passion dies, Silent souls  
Governments they take controlExtra terrestrial behavior  
In my own backyard  
The television always lies  
The camera blinds my eyesA.R.T.  
Confused A.R.T.  
Confused A.R.T.  
Confused art  
Confused artRed light, green light  
Red light, green light  
Red light, green light  
Red light, green lightFashion's a crime  
Money's the line  
Try and forget  
Karma is deadPoliticians always lie  
They cover truths to rule our lives  
Passion dies silent souls  
Government they take controlExtra terrestrial behavior  
In my own backyard  
The television always lies  
The camera blinds my eyesA.R.T.
