No Means Yes (Work Tape)

Kim Richey

Under the spell of this cheap, old motel
We ll lock the door and hope for the best
Everybody knows no means yes
At the vacancy sign we ll cross the line
No turning back, don t second guess
Everybody knows no means yes
Come inside, stay tonight
It feels so right to be so wrong
One white lie, a lullaby
When you wake up, I ll be gone
God only hears what we confess
Everybody knows no means yes
Come inside, stay tonight
It feels so right to be so wrong
One white lie, a lullaby
I miss you when I m gone
Driving away at the break of the day
Is there a heaven or hell
In all of this mess?
Everybody knows no means yes
Everybody knows no means yes
