

# I Am the Place Where God Shows Up

[Eddie Watkins, Jr.](#)

I am the place where God shows up

Am I strong enough to bear the burden that sometime comes living this thing called life.

Am I wise enough to make the right decision when I am standing at the fork in the road.

Sometimes I wonder and ponder only to realize that I am not alone and there is nothing I have to do on my own.

Because I am the place where God lives moves and breaths and has its being. I am the place where God shows  
up.

I am the place where God lives moves and breaths and has its being. I am the place where God shows up.

Will I have enough to do the things I need to do to take care of myself

Will I have enough of mind and body to live a life of grace and wholeness

Sometimes I wonder and ponder only to realize that I am not alone and there is nothing I have to do on my own.

Because I am the place where God lives moves and breaths and has its being. I am the place where God shows  
up.

I am the place where God lives moves and breaths and has its being. I am the place where God shows up.

I am the place You are the place We are the place Where God shows up

I am the place you are the place we are the place where God shows up

I am the place where God lives moves and breaths and has its being. I am the place where God shows up.
