>From the album: In God We Trust
We've been through a lot together
We've seen what some will never see, you and me
Prayer after prayer's been answered
We can't go on without belief....-Can't you see?
Chorus:
We've just gotta be strong
Keep the fire burning
Gotta move on
Keep our hearts from turning
Gotta hold on
On to what you're learning now....and never let go
Nothing can stop us now
We're growing stronger every day.....in every way
Spreading the word together
It doesn't matter what they say.....no way!
Repeat Chorus
