

Yes Ma'am (Dealing With It)

D.R.I.

Teacher moves me from seat to seat
All I do is talk
Teacher may I use the bathroom please?
Yes, it's an emergency Teacher makes me take my test first
I'll take your test
Trapped inside this hourglass
Thoughts of CRASS
I'll give you the answers you want to hear
But I won't conform
Unlike my mindless vacant peers
They're the norm Finished, may I use the bathroom please?
Yes, still an emergency
Come on, cut me slack
Promise I'll be right back
Just let me go this one last time
And I'll never ask again
Teacher, really, really
