My First Love

Ignition Code

Silhouette, of a perfect frame
Shadows of your smile, will always remain
(Will always remain)
Beginners love, soon fades away, ah baby
We go on, I will long as
(Long as I live)
Long as I live, you will be my
(My first love)
Oh baby, you and only you
(Long as I live)
Long as I live
(My first love)
You will be my first love
And I choose you again
I'm keeping no Candy-Coated Valentine
Memories of you, you when you were mine
A tarnished ring on a tarnished chain
Times keep changing come sun or rain
(Long as I Live)
Long as I live, you will be
(My first love)
My first love and my only love, love
(Long as I live)
Long as I live
(My first love)
Ohh, you will always be my
Oh, be my first love
See as long as I live
(Long as I live)
Long as I live
I like it baby, sing to me
(My first love)
Oh, you'll always be my first love
You'll be mine and I'll choose you again
Ooh oh
Ooh oh
A tarnished ring
On a tarnished chain, oh
Times keep changing

Come sun or rain
(Long as I live)
Long as I live, baby yeah
You will always be
(My first love)
I'll always love you, baby
My first love
(Long as I live)
For the rest of my life
You will always be
My my
(My first love)
Oh lady, yeah
(Long as I live)
Yeah yeah
Oh yes
(My first love)
