

# CPH Girls (feat. Brandon Beal)

## Christopher

[Intro: Christopher]  
Them girls, they got it  
Oh oh, they got it  
Them girls, I love it  
I, I, I love it [Verse 1: Christopher]  
Yeah, I don't get where they from  
(we're from, we're from)  
Cause they all know what I want  
(you want, you want) [Pre-hook: Christopher]  
Baby, parlez-vous franÃ§ais?  
I'm so ready to go  
Girl, do you speak body language?  
So I'll need to know  
I'll catch a plane to go and see them girl  
I love the women all around the world  
Who you love? [Hook: Christopher]  
Them "seÃ±oritas" in Spain  
No, I can't complain  
Them "mon chÃ©ri" in Paris  
I know they like champaign  
LA, Miami to New York  
They might just break your heart  
Yeah, I've been everywhere  
But nothing can compare to those  
Copenhagen, copenhagen (girls)  
Copenhagen, copenhagen (girls) [Verse 2: Brandon Beal]  
Yeah, Chris told me like  
You should drop up on the next flight  
Now I'm here tonight  
Kinda feeling like paradise  
Jeans fitting tight  
You can twerk it like Miley right  
I got an appetite  
So let me taste your applebite [Pre-hook] + [Hook] [Spoken: Brandon Beal]  
Yo, Chris  
I really love what I'm looking at, man [Spoken: Christopher]  
Yeah, B  
I told ya  
It happens everytime Who you love? [Hook]
