

# You're so Rad

## We Are Enfant Terrible

You're so rad  
More rad than my dad  
If you were a fabric you'd be plaid  
Everybody knows plaid is so rad  
I think about you and I go mad  
You're so rad  
You really spark my nads  
Some say you're good but I know you're bad  
If you go I'll be sad  
Stop the presses run an ad  
If there were three of you  
You'd be a rad triad  
You're so rad.
