

Beauty Killer

Jeffree Star

If i can't be beautiful, i'd rather just die.

So self obsessed with my mascara and mistakes
Vanity's like a funeral and everyones at my wake
Before i run out of air theres more make-up to apply
So i... stare into valium coloured skies

I've got a sweet tooth, and strawberry youth
you wanna be my licorice or misguided truth
and right now, i'll show you how
i'm a beauty killer.

rhinestone my eyes closed and please fix my hair
this concealer can't hide all my pink nightmares
before i run out of air theres more make-up to apply,
so i... stare into valium coloured skies

i almost died, but it felt great
faking perfection wasn't worth the wait
i may be easy, easy to hate
but youre so fucking easy,
easy to break.

I've got a sweet tooth, and strawberry youth
you wanna be my licorice or misguided truth
and right now, i'll show you how
i'm a beauty killer.

i almost died, but it felt great
faking perfection wasn't worth the wait
i may be easy, easy to hate
but youre so fucking easy,
easy to break.

tell me your secrets...
and i'll tell you my lies...
everything is monotone..in my jet black eyes (?)
if i cant be beautiful...id rather just die.

I've got a sweet tooth, and strawberry youth

you wanna be my licorice or misguided truth
and right now, i'll show you how
i'm a beauty killer.
so i stare into valium coloured skies (x4)

im a beauty killer.
(gorgeous killer)
(hot pink killer)
(fierce killer)

im a beauty killler.

(i'll fucking kill you).
