

# Senseless

David Archuleta

You're telling me its over now  
Its like you turned the volume down  
Now I cant even hear a sound.  
Looks like you're about to leave  
Now its getting kinda dark to me  
'Cuz that ain't something I can see.  
Its like I'm getting worse everyday  
Girl I'm breaking down.  
Got my heart on the floor  
And I cant feel it,  
Everything's numb.Now I'm senseless  
Got no feelings left.  
My pain won't let this heart beat in my chest,  
Now I'm senseless.  
Why are we doing this?  
I'm so losing it, oh oh, senseless.Feels like I lost your love  
Since I had to give you up.  
And now I'm so outta touch, yeah.  
The other day I smelled your scent,  
It came across like punishment  
A bitter taste is lingering.  
My senses have seemed to escape  
All the feelings gone.  
I'm cold and I'm lost  
With no direction  
And everything's numb.Now I'm senseless  
Got no feeling left.  
My pain wont let this heart beat in my chest,  
Now I'm senseless.  
Why are we doing this?  
I'm so losing it, oh oh.Think it smells like rain, water on the floor.  
But I don't know 'cuz I'm so gone  
Cant even see tomorrow coming on.  
I cant even hear myself scream,  
Cant even feel anything.  
And I would die to love you if I could.'Cuz girl I'm so senseless  
Got no feelings left.  
My pain wont let this heart beat in my chest,  
Senseless. (I ain't got no, I ain't got nooo)

Why are we doing this?  
Im so losing it, oh oh.Oh, senseless.  
Oh, senseless
