# Hell To Sell

## The Audition

Come with me if you wanna see
Anything worth while
My child, I'll show you anything and everything
Go to heaven for the weather
But to hell to sell your soul
I'll show where mine went so long ago[Chorus]
Teach you everything you need to know
The way to love and feel it in your bones
Grab the sheets and make her toes wrap up
Her lips respond
She wants you, ohThe more you listen to me
You'll see everything
That you need to be from me
I'll show you all that you need
To be the greatest lover to come after meOh, I can show, if you wanna know
Exactly how to say her name
To make her scream and shout
But not from painEcstasy is all that you'll see
When you kiss her lightly
It's frightening
There is no room for smarts
Show her lightning[Chorus]I can't wait to see inside
See exactly what you're made of
I can see right through your eyes
See exactly where you came from
I'll take you out around the town
I will break you down
(I will break you down)
I'll leave you high and dry, girl
I'll make your body cry, girl
I'll make your body
Make your body
Make your body cry outTeach you everything you need to know
The way to love and feel it in your bones
Grab the sheets and make her toes wrap up
Her lips respond
She wants you, ohCome on, girl, and take a ride with me
Take your time and lose your need for speed
I'll take it slow and make you lose control

Your lips respond
I want you, ohThe more you listen to me
You'll see everything
That you need to be from me
I'll show you all that you need
To be the greatest lover to come after me (x2)
