

# Wino Junko

## Paul McCartney & Wings

Doctor Tom is getting on  
All he does is sign his name  
I get things my brain box sings  
But I'll go down again Play with fire, getting higher  
Higher than a nine foot flame  
My soul is pent and so's the rent  
But I'll go down again Wino Junko can't say no  
Wino Junko, eyes aglow  
Pill freak, spring a leak, you can't say no  
Till you go down again This and that you crazy cat  
Flying sideways once again  
I'm in a spin it makes me grin  
But I'll go down again Wino Junko can't say no  
Wino Junko, eyes aglow  
Pill freak, spring a leak, you can't say no  
Till you go down again Wino Junko can't say no  
Wino Junko, eyes aglow  
Pill freak, spring a leak, you can't say no  
Till you go down again, till you go down again  
Till you go down again, till you go down Take what I need until I bleed  
People will say I've gone insane  
Ain't scared to die, it's such a high  
Till I go down again Wino Junko can't say no  
Wino Junko, eyes aglow  
Pill freak, spring a leak, you can't say no  
Till you go down again Wino Junko can't say no  
Wino Junko, eyes aglow  
Pill freak, spring a leak, you can't say no  
Till you go down again, till you go down again  
Till you go down again Wino Junko  
Wino Junko  
Wino Junko
