

# Steppin' out (Demo Version)

## The Bangles

Well, I had to leave town because of Uncle Sam's deal, ha ha ha yeah  
Well, I guess my good lovin' done lost its appeal  
Because when I called back I heard a-bad bad news  
They say our big romance has been gettin' abuse  
Now tell the truth, don't lie to me  
Have you been step, step, step, step, step, step, steppin' out on me?  
I've got ways of findin' out if you've been steppin' out on me  
It's my turn, let me give you a piece of my mind

I told you once, I told you twice  
You're kind of rowdy after walkin' on ice  
Turn your loop in, do what I want you to do  
Stop your messin' now or I'm gonna step out on you  
Hey! Hey! Hey hey hey hey!

If I can't be your one & only man  
I'm gonna call your daddy to give him back your hand  
I'm gonna call the preacher, tell the choir stay home  
I guess you're the kind of woman that's just 'bout to roam  
Now tell me true, don't lie to me  
Have you been step, step, step, step, step, step, steppin' out on me?  
Tell the truth, child; you've been steppin' out on me  
I gotta know in my heart if you've been steppin' out on me  
I'll be checkin' with all your friends if you've been steppin' out on me  
Better tell me the truth honey; have you been steppin' out on me?  
Yeah I'm gonna check; no more stuff or I'll be steppin' out on you
