Tiger Lou

It's cold in here
The music is too loud
I hate this place
I hate this crowd
Should leave I guess
Oh, I know I should
'Cause it feels just like you said it would
Oh, it feels just like you said it would
Hmmm...
The music stops
and in the blink of an eye
She tells me
to give it a try
Could stay I guess
Oh, I know I could
'Cause it feels just like you said it would
Oh, it feels just like you said it would
Hmmm...
