

# All Jacked Up (Album Version)

Gretchen Wilson

HeyWell, five of the PM rolls around  
There's a little old joint outside of town  
I only got time for a couple of beers  
And a jukebox song ringing in my ears  
The next you know the bartender's pouring  
Shots are flowing, got me stoning  
All I really know is that I should be going  
But I'm soaking up the momentI'm all jacked up, all jacked up  
Don't believe I've ever had this much  
One thing I've learned when you get tore up  
Time sure flies when you're all jacked upIt was getting mighty close to nine o'clock  
What the hell I'll have one more shot  
Then I winked at a boy at the end of the bar  
Guess I might of must of gone a little too far  
'Cause a big ol' girl walked outta the blue  
Ten foot two with a bad attitude  
Stepped right up and knocked out my tooth  
I guess I had it coming I deserved the due'Cause I was all jacked up, all jacked up  
Don't believe I've ever had this much  
One thing I've learned when you get tore up  
Don't start no stuff when you're all jacked upDon't have to go home but you can't stay here  
That's what they said when I got my last beer  
Oh my God, it's two o'clock,  
I can't find my keys and my truck's lockedSo I grabbed a tire tool and I broke my window  
Hurt my elbow, got me in though  
Two foot later backed into the light pole  
All the town folk got a good showAll jacked up, all jacked up  
Don't believe I've ever had this much  
One thing I've learned when you get tore up  
Don't drive your truck when you're all jacked upJacked up  
(All jacked up, all jacked up)  
WhoOne thing I've learned when you get tore up  
Don't start no stuff when you're all jacked upOne thing I've learned when you get tore up  
Don't drive your car  
Don't start no stuff in no bar  
Hell I wouldn't tell anybody where you are  
When you're all jacked upAll jacked up  
All jacked up  
All jacked upYeah yeah yeah

Yeah yeah yeah

Yeah yeah yeah

Yeah yeah
