Gangsta Love

S Club

Stand out
ThereÂ´s something about the way that you do it
So bottle it up, that way you wonÂ´t lose it for love

Big sound
Dreaming you up, IÂ´m feeling so erratic
Your holding me down, IÂ´m set to automatic, so loud

Saw an apple in every vibe
Whenever your rub-a-dubbinÂ´
Pineapple is playing all night
HeÂ´s the one, heÂ´s the one
Baby

Day after day (my MC) putting the rest to shame
'Cause heÂ´ll be givinÂ´ me gangsta, givinÂ´ me gangsta love
Day after day (my MC) gotta give up the name
'Cause heÂ´ll be givinÂ´ me gangsta, givinÂ´ me gangsta love

Spaced out
Ready to take the seat of your intention
ThereÂ´s more than one thing that I forgot to mention, go down

Turn Â´round
Been checkinÂ´ you out and watchinÂ´ you undo it
Been pickinÂ´ it up and love the way you throw it all down

Saw an apple in every vibe
Whenever your rub-a-dubbinÂ´
Pineapple is playing all night
HeÂ´s the one, heÂ´s the one
Baby

Day after day (my MC) putting the rest to shame
'Cause heÂ´ll be givinÂ´ me gangsta, givinÂ´ me gangsta love
Day after day (my MC) gotta give up the name
'Cause heÂ´ll be givinÂ´ me gangsta, givinÂ´ me gangsta love

Face down, wiped out
Brother let me peep this

IÂ´m a ga-ga-ga-ga-ga-ga-gagaga
Gotta keep the peace
You got me spaced out, wiped out
Brother let me peep this
IÂ´m a gangsta, gangsta, gangsta
Gangsta love

Pineapple is playing all night
HeÂ´s the one, heÂ´s the one
Baby

Day after day (my MC) putting the rest to shame
'Cause heÂ´ll be givinÂ´ me gangsta, givinÂ´ me gangsta love
Day after day (my MC) gotta give up the name
'Cause heÂ´ll be givinÂ´ me gangsta, givinÂ´ me gangsta love

(Repeat to fade)
