Marabou (Radio Edit)

Antonia

As Im walking down Rue de Rivoli,
Listening to the tape you once gave to me,
Leaves a little you here with me
And when youre gone, I dream.Follow me down to Marabou (bou),
Let me put my love into you (you),
I'll let you cool me off with a kiss (kiss),
Your waves will hit me like deja-vu (vu),
So tonight I'll dream about Marabou (bou),
Let me put my love into you (you),
The tide will wash us up on the shore (shore),
Your waves will hit me like deja-vu (vu),
So tonight I ll dream about Marabou.Remember Goodbye Lucille No.1?
Not many know it, maybe some,
As the song goes by I miss you more and more,
So tonight I ll just dream about Marabou.Ma-Marabou
