Remember Me

Daley

Remember me!!So you confess,
To all the way you've been seeing
Now you feel regret, yeah
But that don't mean shit to me
No, no
So empty word you can say
Take a minute please
It's too little too late
To make it up to me
I hope that those tears refresh your memory
Now when another makes you cry[Chorus]
That's when you, remember me
I'm the one that had you baby
I'm the one who loved you baby
Remember me
I'm the one that had you baby
I'm the one who loved you babyI guess it wasn't enough
To give you everything, no no
And I guess I should have know better
How could I be so naive
I don't know,
So empty word you can say
Take a minute please
It's too little too late
To make it up to me
I hope that those tears refresh your memory
Now when you're all alone at night[Chorus]
That's when you, remember me
I'm the one that had you baby
I'm the one who loved you baby
Remember me
I'm the one that had you baby
I'm the one who loved you babyNow when you all alone at night[Chorus]
That's when you, remember me
I'm the one that had you baby
I'm the one who loved you baby
Remember me
I'm the one that had you baby
I'm the one who loved you.
