Big Girls Don't Cry

Power Music Workout

Big girls dont cry
Big girls dont cryBig girls dont cry
(They dont cry)
Big girls dont cry
(Who said they dont cry?)My girl said goodbye
(My oh my)
My girl didnt cry
(I wonder why)(Silly boy)
Told my girl we had to break up
(Silly boy)
Hoped that she would call my bluff(Silly boy)
Then she said to my surprise
Big girls dont cry?"Big girls dont cry
(They dont cry)
Big girls dont cry
(Who said they dont cry?)(Maybe)
I was cruel
(I was cruel)
Baby, Im a fool
(Im such a fool)(Silly girl)
Shame on you", your mama said
(Silly girl)
Shame on you, youre cryin' in bed?(Silly girl)
Shame on you, you told me lies?
Big girls do cryBig girls dont cry
(They dont cry)
Big girls dont cry
(Thats just an alibi)Big girls dont cry
Big girls dont cry
Big girls dont cry
Big girls dont cry
Big girls dont cry
