Took 1 look at all my bagagge and called himself a cab

Then I love youThere's a place for me

In the air

Can't wait to be withcha thereBuckle up

We're taking off(Oo Oo)

And all becuz of youHandle my bags Like a skycap

Carry my load Like a skycap

Help me help me Like a skycap

Got me there like a skycapAnd I..

I'm flying

Now I'm flying

Now I'm flying(Timberland)I'm falling

Now I'm falling

Now I'm fallingAsk me bout my man and I'll say I got enough

Took me by my hand and we took off(Ooooooooo)

And I'm crusing altitude so when the times are rough

We fly over rocky roads and rainy days(Ooooooooo)There's a place for me

In the air

Can't wait to be

Withcha thereBuckle up we're taking off(Oo Oo)

And all becuz of youHandle my bags Like a skycap

Carry my load Like a skycap

Help me help me Like a skycap

Got me there like a skycapAnd I..
