

# Great Escape

Jasmine Thompson

Under pressure Some might break  
I pack my troubles in a suitcase  
Travel heavy  
On my way  
I wonder who will wipe your tears away And I know x3you'll wait, wait till I'm coming home  
but I want you here  
be part of my ourneyLet's run away for a moment  
Just take the time and come with me  
On this great escape  
I know you're worried see your burdens  
So take the time and come with me  
On this great escape(Darling I'm here for you  
Darling I care for you  
Darling I want you to  
Come with me on this great escape) x2I wanna see what  
we could make  
of a different life  
in a different place  
Please convince me that you've changed  
Will you be there to wipe my tears away And I know x3You'll wait, wait till I'm coming home  
But i want you here  
be part of my ourneyLet's run away for a moment  
Just take the time and come with me  
on this great escape  
I know you're worried see your burdens  
So take the time and come with me  
on this great escape(Darling I'm here for you  
Darling I care for you  
Darling I want you to  
Come with me on this great escape) x2(You've been uneasy  
You've been down  
You've been out so  
Let's take it easy  
Let's leave town for a while oh) x2Let's run away for a moment  
Just take the time and come with me  
on this great escape  
I know you're worried see your burdens  
So take the time and come with me  
on this great escape(Darling I'm here for you

Darling I care for you  
Darling I want you to  
Come with me on this great escape) x2
