

I Still Believe

Crystal Lewis

When I cant feel your love for me
The pain in my soul, it wont let me sleep
I imagine you here and it dries up my tears
Even though I cant see, I still believe I believe in love, I believe in peace
I believe someday youll return for me
I believe in things that I cannot see
And when my heart says no, I still believe Just when I think my faith is gone
I hear your sweet voice crying out hold on
Its amazing how we, were always meant to be
And now I can breathe again I believe in love, I believe in peace
I believe someday youll return for me
I believe in things that I cannot see
And when my heart says no, I still believe I believe the sun will shine again
And the loneliness someday will end
I will stand right here til your voice I hear
Forever and always I believe in love, I believe in peace
I believe someday youll return for me
I believe in things that I cannot see
And when my heart says no, I still believe
