

# Love On The Rocks (ost Bones)

Neil Diamond

Love on the rocks  
Ain't no surprise  
Just pour me a drink and I'll tell you some lies  
Got nothin' to lose so you just sing the blues  
All the time Gave you my heart  
Gave you my soul  
You left me alone here with nothing to hold  
Yesterday's gone  
Now all I want is a smile First, they say they want you  
How they really need you  
Suddenly you find you're out there  
Walking in a storm  
When they know they have you  
Then they really have you  
Nothing you can do or say  
You've got to leave, just get away  
We all know the song You need what you need  
You can say what you want  
Not much you can do when the feeling is gone  
May be blue skies above  
But it's cold when you love's on the rocks First, they say they want you  
How they really need you  
Suddenly you find you're out there  
Walking in a storm  
When they know they have you  
Then they really have you  
Nothing you can do or say  
You've got to leave, just get away  
We all know the song Love on the rocks  
Ain't no surprise  
Just pour me a drink and I'll tell you my lies  
Yesterday's gone  
And now all I want is a smile
