Let It Snow

Lucas Grabeel

Let it snow, let it snow, let it snowOh, the weather outside is frightful
But the fire is so delightful
And since we've no place to go
Let it snow, let it snow, let it snowIt doesn't show signs of stopping
And I've bought some corn for popping
The lights are turned way down low
Let it snow, let it snow, let it snowWhen we finally kiss goodnight
How I hate going out in the storm
But if you'll really hold me tight
All the way home I'll be warmThe fire is slowly dying
And my dear, we're still goodbying
But as long as you love me so
Let it snow, let it snow, let it snowLet it snow, let it snow, let it snowWhen we finally kiss goodnight
How I hate going out in the storm
But if you'll really hold me tight
All the way home I'll be warmThe fire is slowly dying
And, my dear, we're still goodbying
But as long as you love me so
Let it snow, let it snow, let it snowAs long as you love me so
Let it snow, let it snow, let it snow
Let it snow, let it snow, let it snow
Let it snow, let it snow
