You're supposed to sit on your ass  
And nod at stupid things man, that's hard to do  
And if you don't they'll screw you  
And if you do, they'll screw you, too  
And when I'm standing in the middle  
Of the diamond all alone  
I always play to win  
When it comes to skin and bone  
And sometimes I say things  
I shouldn't, like  
And sometimes I say things  
I shouldn't, like
