

I'll Always Love My Mama

The Hit Crew

I'll always love my Mama
She's my favorite girl
I'll always love my Mama
She brought me in this world Sometimes I feel so bad
When I think of all the things I used to do
How Mama used to clean somebody else's house
Just to buy me a new pair of shoes I never understood
How Mama made it through the week
When she never ever got
A good night's sleep Talking 'bout Mama
Talking 'bout Mama
Talking 'bout Mama I'll always love my Mama
She's my favorite girl
I'll always love my Mama
She brought me in this world A mother's love is so special
It's something that you can't describe
It's the kind of love that stays with you
Until the day you die She's taught me little things
Like say, "Hello and Thank you, please"
While scrubbing those floors
On her bended knees Talking 'bout Mama
Talking 'bout Mama
Talking 'bout Mama I'll always love my Mama
She's my favorite girl
I'll always love my Mama
She brought me in this world I'll always love my Mama
I'll always love my Mama
I'll always love my Mama
I'll always love my Mama I'll always love my Mama
I'll always love my Mama
I'll always love my Mama
I'll always love my Mama My Mama
She's my favorite girl
I'll always love my Mama
She brought me in this world I'll always love my Mama
I'll always love my Mama
I'll always love my Mama
