

# Shy Violet

## Owl City

Light up the sky  
Shy violet angel eyes  
Light up the sky  
Shy violet angel eyes She dried my eyes and drifted off  
While every tear was held aloft  
The heavy rain clouds felt terrible  
'Cause she made my stormy sky beautiful Light up the sky  
Shy violet angel eyes  
Light up the sky  
Shy violet angel eyes  
(Beautiful)  
Light up the sky  
Shy violet angel eyes  
(Beautiful)  
Light up the sky  
Shy violet angel eyes Beautiful 'Cause she made my stormy sky beautiful.
