

# Happy Holiday

## Bing Crosby

Happy holiday, happy holiday  
While the merry bells keep ringing  
May your every wish come trueHappy holiday, happy holiday  
May the calendar keep bringing  
Happy holiday to youIf you're burdened down with trouble  
If your nerves are wearin' thin  
Park your load down the road  
And come to Holiday InnIf the traffic noise affects you  
Like a squeaky violin  
Kick your cares down the stairs  
Come to Holiday InnIf you can't find someone  
Who will set your heart a-whirl  
Take your car and motor to  
The home of boy meets girlIf you're laid-up with a breakdown  
Throw away your vitamin  
Don't get worse, grab your nurse  
And come to Holiday InnHappy holiday, happy holiday  
While the merry bells are ringing  
May your every wish come trueHappy holiday, happy holiday  
May the calendar keep bringing  
Happy holidays to youHappy holiday, happy holiday  
While the merry bells keep ringing  
May your every wish come trueHappy holiday, happy holiday  
May the calendar keep bringing  
Happy holidays to you
