

# Honey Bee

Maysa

Verse 1:

You can't imagine the way I feel  
When we're close enough to kiss  
I been around for a little while  
Never found anything like this  
You take me high as an airplane  
With your smile shining bright like the sun  
Said you keep buzzing around my way  
I can tell that you are the one

Chorus 1:  
Honey Bee

Why are you so sweet to me?

I cannot see

Anything but my Honey Bee

Verse 2:

I like the way that we intersect  
In our own little paradise  
I like the way that you read my head  
I don't have to tell you twice  
Love is the way that you make me feel  
And it's just what I need the most  
What could be better than you and me  
Who knew heaven was so close?

Chorus 2:  
Honey Bee

I love the way you hugging me

Nothing is as sweet

As the honey from my Honey Bee

Verse 3:  
Who can know

Your love comes If we take it slow  
And I like the way your honey flows  
And then we'll treasure all of the years we know

We will treasure love

Honey Bee  
Don't you ever fly from me

I would not be

Any good without my Honey Bee

Honey Bee

Never fly away from me

Where would I be without my Honey Bee?

Honey Bee

Don't fly away, don't fly away from me.
