

Beautiful Sky

Hibernation

Oh tonight, shines down a guiding light
Showing a former life when we felt so alive
In a sea of light swimming before my eyes
Hold on to what is right, open your open mind Oh no, please, don't let me go
No, please, don't leave me here
To grieve innocent times In the beginning, I felt we were living
I felt so alive under beautiful skies Oh, tonight slip in and out of life
Yet feeling so alive, lost in the sea of light Oh no, please, don't let me go
No, please, don't leave me here
To grieve innocent times In the beginning, I felt we were living
I felt so alive under beautiful skies Oh no, please don't let me go
No, please, don't let me go
No, please, my beautiful skies In the beginning, I felt we were living
I felt so alive under beautiful skies
