

Try Me

Bob Marley

Try me (try me)
Try me (try me)
Try me (try me)
Try me (try me)
Try me (try me, try me)
Try me
Try me (try me, try me)
Try me When the hurt is strong
And everything you do is wrong
You need someone to comfort you
Well, listen baby, I'll come first to you, so Try me (try me, try me)
Try me
Try me (try me, try me)
Try me If you need satisfaction
Listen baby, I've got the action
Where I am, that's where it's at
So, listen baby, it's tit for tat, so Try me (try me, try me)
Try me
Try me (try me, try me)
Try me Woo, woo-ooh, woo, woo, woo-ooh
Woo, woo-ooh, woo, woo, woo-ooh
Woo, woo-ooh, woo, woo, woo-ooh
Woo, woo-ooh, woo, woo, woo-ooh One more thing I'd like to say right here
Try me (try me, try me)
One more thing I'd like to say right here
Try me (try me, try me)
Need good lovin'
I'm black (try me) coming
Yes I'm black (try me) and I'm coming
Try me, try me
