Shut Up

Kelly Osbourne

You say I should do it differently
I don't necessarily agree
Stand up, sit down, be nice
Did you hear me ask for your advice
Don't bother
Trying to tell me your beliefs
Your point of view looks
Pretty screwed to me
Do this, do that, on track
Do me a favour and don't talk back[BRIDGE]
Round and round
And the conversation
Always ends where it began
Round and round
And I need a vacation
I got a headache from youCHORUS 1
Shut up don't want to hear your voice
Shut up I'm sick of all the noise
A damn thing to me
So shut upBlah blah blah blah
Blah blah blah blah
That's what it sounds like you said to me
You nag and you brag and I gag
There's so much beauty in what we have
You must have better things
That you can do
Or does your life revolve around me too
What you want, what I need, oh please
I think you get off hearing yourself
Speak[REPEAT BRIDGE][REPEAT CHORUS 1][CHORUS 2]
Don't want to be polite
It's messed up
How you always think you're right
There's nothing you can say
That's gonna change the way I am
So shut up[REPEAT BRIDGE][REPEAT CHORUS 1 & 2]
