Forever and Easy (Live In Seattle)

You Am I

You can dress my riding just because it's a Sunday
You can feel me riding just because I'm cheap
If you want to claim it a "boy's own" ending
If you just want to win it just for the team
Yeah, I'm free
I'm freeYou can feel me up and I'll pretend you're someone special
I can make you believe I'm only in it just for the bleed
Yeah, but if you want to claim shit on any kind of ending.
If you want to break my ass and leaveYeah, I'm free
Why ain't I freeTake me easy and I can take your time.
