Brown Grass

Gregory Porter

VERSE 1Brown Grass
On the other side
Nothing but brown grass
Now I'm open wide
To the truth I left behind
A love so hard to find
Now I find myself falling down on brown grass
Now I find myself rolling round on brown grassVERSE 2
Brown Grass
On the other side
Nothing but brown grass
Now I've made a mess of the life I had with you
In search of something new
Now I find myself falling down on brown grass
Now I find myself rolling round on brown grassVAMPWhy did I not know that she was a essential part of me
I did thought I needed to find me and I needed to be free
Why did not I know what she all that I would ever need
I Looked at the distant view and thought it was for meBut now I knowIt was justBrown grass
On the other side
Nothing but brown grass
Now I'm open wide
To the truth I left behind
A love so hard to find
Now I find myself falling down on brown grass
Now I find myself rolling round on brown grassMusic BreakWhy did not I know she was a essential part of me
I thought I needed to find me and I needed to be free.
Why did not I know she what all I would ever need
I Looked at the distant view and thought it was for me
But now I know
It was just
Brown grass
On the other side
Nothing but brown grass
Now I'm open wide to the truth I left behind
A love so hard to find
Now I find myself falling down on brown grass
Now I find myself rolling round on brown grass
Now I find myself falling down on brown grass.
