Fearless

Wes Carr

I spent my life thinking bout myself,
I wouldn't change it for no one else.
I don't like talking when I watch T.V.,
I like to drink as much as I want,.
There must be something in the free champagne,
It's not my party but I'm glad I came.
I saw you looking, I was looking back,
Something happened to me.I want you right now,
I want you right now,
Gotta be right now,
I want you right now,
Give me a chance!I could be fearless,
I could be strong,
I could be wiser, braver,
I could be mean if that's what you want.
I'll be a fighter,
Taking the crown,
Gonna be louder, shameless, reckless,
If that's what you want.If you could find a way to read my mind,
You'd see 10,000 soldiers standing in line.
With flowers in their guns pointing straight at you,
Cause Cupid's too stupid for war.I want you right now,
I want you right now,
Gotta be right now,
I want you right now,
Give me a chance!I could be fearless,
I could be strong,
I could be wiser, braver,
I could be mean if that's what you want.
I'll be a fighter,
Taking the crown,
Gonna be louder, shameless, reckless,
If that's what you want.I want you right now,
I want you right now,
Gotta be right now,
I want you right now,
I want you right now x2I want you right now,
I want you right now,
Gotta be right now,

I want you right now,
Give me a chance!I could be fearless,
I could be strong,
I could be wiser, braver,
I could be mean if that's what you want.
I'll be a fighter,
Taking the crown,
Gonna be louder, shameless, reckless,
If that's what you want.Fearless,
Icould be fearless baby,
I could be strong,
I could be brave,
I'll be a fighter taking the crown,
Gonna be louder, shameless, reckless,
If that's what you want!
