When I Fall in Love

Rick Astley

When I fall in love it will be forever
Or I'll never fall in love
In a restless world like this is
Love is ended before it's begunAnd too many moonlight kisses
Seem to cool in the warmth of the sun
When I give my heart it will be completely
Or I'll never give my heartAnd the moment I can feel that
You feel that way too
Is when I fall in love
With youAnd the moment I can feel that
You feel that way too
Is when I fall in love
With you
