Shake

Pries

Ah, ah, ah
You've been working on all week
Just to go home to a lame nigga that's week
You've got your problems, I've got my problems, too
Maybe we should solve them
This what we will do!
Shake, shake, shake,
Shake, shake, shake senora!
Shake, shake, shake,
Shake, shake, shake senora!
Shake, shake, shake,
Shake, shake, shake senora!
Uh, uh, shake senora!
Baby girl, let me eat, let me beat it up
Let me show you what it's like with the real ones
You can tell me what you've done and you had enough
Don't worry about the sheets, I'mma clean it up,
Cause I've got a few maids for that, I mean to pay some...
Just tell me why you're so low?!
I'mma ride through clean in the photo
If we can't make the bed, then we hit the floor
Let the panties drop, baby, get on top
Show a real nigga what you're working with
Take advantage of the moment,
I can tell that you want it,
by the way that you're shaking, you're moaning!
You're sexy as hell with your clothes on,
But you even look better with your pants off
New ... with the sex songs.
Gladdest night that we get it on!
You've been working on all week
Just to go home to a lame nigga that's week
You've got your problems, I've got my problems, too
Maybe we should solve them
This what we will do!
Shake, shake, shake,
Shake, shake, shake senora!
Shake, shake, shake,
Shake, shake, shake senora!

Shake, shake, shake,
Shake, shake, shake senora!
Uh, uh, shake senora!Uh, you're fine as hell, you're fine as hell
A blind man can see that!
Your sex is a drug and me need some,
Tell your home girls you'll be right back!
I show you things that your boyfriend can't
Roll that weed, pour this drink
Pull your weed, low your waist
Put that ass in my face
Cause I can read your mind
I know it's a minute, baby, waste no time
Let a nigga hit, free your mind!
Baby, this real pimping is the money of a hoes
But these hoes are no woman
And you suddenly like my girl.
For the nigga that you came with
Wanna show you the world, make you thrill,
Use no hands, baby, don't slip!
In my room is where you wants to be
I'm impossibly! Girl, I see you naked!
Love and shake it, bend that back, don't break it!You've been working on all week
Just to go home to a lame nigga that's week
You've got your problems, I've got my problems, too
Maybe we should solve them
This what we will do!
Shake, shake, shake,
Shake, shake, shake senora!
Shake, shake, shake,
Shake, shake, shake senora!
Shake, shake, shake,
Shake, shake, shake senora!
Uh, uh, shake senora!
