

# Remember When

Avril Lavigne

Remember when I cried to you a thousand times  
I told you everything, you know my feelings  
It never crossed my mind that there would be a time  
For us to say goodbye, what a big surprise But I'm not lost, I'm not gone  
I haven't forgot These feelings I can't shake no more  
This feeling's running out the door  
I can feel it falling down  
And I'm not coming back around These feelings I can't take no more  
This emptiness in the bottom drawer  
It's getting harder to pretend  
And I'm not coming back around again  
Remember when I remember when it was 'Together till the end'  
Now I'm alone again, where do I begin?  
I cried a little bit, you died a little bit  
Please say there's no regrets and say you won't forget But I'm not lost and I'm not gone  
I haven't forgot These feelings I can't shake no more  
This feeling's running out the door  
I can feel it falling down  
And I'm not coming back around These feelings I can't take no more  
This emptiness in the bottom drawer  
It's getting harder to pretend  
And I'm not coming back around again  
Remember when That was then, now it's the end  
I'm not going back, I can't pretend  
Remember when These feelings I can't shake no more  
This feeling's running out the door  
I can feel it falling down  
And I'm not coming back around These feelings I can't take no more  
This emptiness in the bottom drawer  
It's getting harder to pretend  
And I'm not coming back around again
