

# Walrus (No Hidden Track)

## Unwritten Law

Well, I read the news today and the walrus said  
The lucky man made the grade, yeah  
Well ain't that great, you say  
What about the rest of that news  
Left me empty and mad, singing the blues, yeah  
It's sad but true 'Cause everything gets old  
Everyone is dumb  
So I keep changing  
Everything is gay  
Everyone is fake  
So I can't hang around Si-si-si-sitting back with that look on your face  
Like I'm a piece of and you're a ace well  
It's time to go, you know? So hit the road, Jack  
Like the song goes you ain't ever coming back  
'Cause the world turned black, yeah  
Well, don't you know? 'Cause everything gets old  
Everyone is dumb  
So I keep changing  
Everything is gay  
Everyone is fake  
So I can't hang around Well, don't you know? Yeah, yeah  
Everything gets old  
Everyone is dumb  
So I keep changing  
Everything is gay, everyone is fake  
So I can't hang around Everything gets old  
Everyone is dumb  
So I keep changing  
Every word they say  
Every word is fake  
So I wont be around Everything gets old  
Everyone is dumb  
Everything gets old  
Everyone is dumb  
Everything gets old  
Everyone is dumb
