

# End of Thought

[Regina Spektor](#)

I thought about what you said  
And it's the end of the thought that really got in my head  
Be careful before you decide  
Be careful before you decide  
Risk only what you won't miss  
And all the rest you can leave for all the others to take  
You cannot make a mistake  
The universe is too big  
The universe is too big  
I don't know why I let you stay  
I don't know why I let you stay  
I don't know why I let you stay around  
In my mind  
I thought about what you said  
And it's the end of your thought that really made me upset  
Be careful before you decide  
The universe is too big  
The universe is too big  
You cannot make a mistake  
You cannot make a mistake  
I don't know why I let you stay  
I don't know why I let you stay  
I don't know why I let you stay around  
In my mind
