

# Trust Me This Is Love

**Tina Arena**

I look at this mountain  
So many heartaches wide  
I can't help but wonder  
Where's the other side I've got to be honest  
I've got my doubts  
And your tears are asking me  
What's this got to do with love Darling please, tell me something  
To help me through this long dark night When this trouble passes over  
You and I will walk away  
Knowing that our love  
Survives another test of faith  
You and I can walk on water  
The river rises, we rise above  
It may not look that way right now  
Trust me baby, this is love Love isn't easy, I'm torn, I confess  
When a heart isn't certain  
It's bound to second guess  
This love won't forsake us  
So dry your tears, I promise you When this trouble passes over  
You and I will walk away  
Knowing that our love  
Survives another test of faith  
You and I can walk on water  
The river rises, we rise above  
It may not look that way right now  
Trust me baby, this is love Here forever, there's nothing I want more  
Our day is coming  
And we'll reach that peaceful shore When this trouble passes over  
You and I will walk away  
Knowing that our love  
Survives another test of faith  
You and I can walk on water  
The river rises, we rise above  
It may not look that way right now  
Trust me baby, this is love One more mountain ain't so wide  
Trust me baby this is love
