

# Swing Sweet Pussycat

## The Atomic Fireballs

I wanna swing  
(With that pussycat)  
I wanna dance  
(With that pussycat)I wanna slide  
(With that pussycat)  
I wanna jump  
(With that pussycat)I wanna swing  
Sweet pussycatGrab her by the tail or by the whiskers  
Pull her close then try to kiss her  
You bought her diamonds  
I bought her pearlsYou rubbed her back to make her purr  
You pulled her tail to make her wail  
And licked the nip when all else failsOh, pussycat don't be so bad  
The best little kitty that I ever had  
They say a dog's a man's best friend  
So pussycat, let's not pretendA man's a man  
A rat's a rat  
So swing  
Sweet pussycatSwing, sweet pussycat  
Swing, sweet pussycat  
Swing, sweet pussycatSwing, sweet pussycat  
Swing, sweet pussycat  
SwingOh kitty, kitty, please come here  
Don't hiss and moan when I come near  
Don't bite my neck, don't scratch my eyes  
I'll take away those dull eyesA man's a man  
A rat's a rat  
So swing  
Sweet pussycatSwing, sweet pussycat  
Swing, sweet pussycat  
Swing, sweet pussycatSwing, sweet pussycat  
Swing, sweet pussycat  
Swing, swing, swing, swing  
SwingSwing, sweet pussycat  
Swing, sweet pussycat  
Swing, sweet pussycatSwing, sweet pussycat  
Swing, sweet pussycat  
Swing, swing, swing, swingSwing, sweet pussycat  
Swing, sweet pussycat

Swing, sweet pussycat Swing, sweet pussycat  
Swing, sweet pussycat  
Swing, swing, swing, swing Swing, sweet pussycat
