

A New Kind of Fire

Tom Jones

A new kind of fire, burning inside
Wonderful feelings, I just can't hide
Life is worth living
Love can inspire such a new kind of fire
Silent, sweet surrender
A broken heart remembers the first time
Last moments sweet and tender
Cold and dying embers when love dies
In the quiet of the mist
When two lovers kissed the very last time
But we're right here tonight
It's love at first sight and we're doing alright
A new kind of fire burning inside
Wonderful feelings I just can't hide
Life is worth living
Love can inspire such a new kind of fire
Mexican morning, we danced until dawn
In the moonlight
In blue Acapulco, nobody that we know
Is just right
No thought of tomorrow
And sorrow is clear out of sight
But right here tonight
Love is alright
And we're lost in the light
A new kind of fire burning inside
Wonderful feelings I just can't hide
Life is worth living
Love can inspire such a new kind of fire
A new kind of fire burning inside
Wonderful feelings I just can't hide
Life is worth living
Love can inspire such a new kind of fire
A new kind of fire burning inside
Wonderful feelings I just can't hide
Life is worth living
Love can inspire such a new kind of fire
A new kind of fire burning inside
