

# Party Song (2017 Remastered Version)

## Pet Shop Boys

We want a party song  
with a good time lyric  
Tell you what  
I'm gonna help you pick it I hope that you don't mind  
but there's some people  
wanna bump and grind  
Play those ones and twos  
and while you spin  
I'll help you choose  
I wanna good time We want a party song  
with a good time lyric  
Tell you what  
I'm gonna help you pick it  
Remember when we used to all get down  
and do the hustle?  
Are you gonna get me started up like that so I can muscle  
in and party?  
Why don't you help me start to muscle in and party?  
Come on and start me I know I'm not the only one  
who's come here looking for some fun  
I drove along from Nice  
in my soft-top Rolls Royce Corniche  
I wanna good time We want a party song  
with a good time lyric  
Tell you what  
I'm gonna help you pick it  
That's the way I like it  
(We're gonna have a good time)  
That's the way I like it  
(We're gonna have a good time)
